**THEFT INCIDENTS**

Dear Valued Homeowners and Members,

Good day! Hoping all is well and safe. This is to inform you about the recent theft incidents which have occurred last weekend in our neighborhood.

Our assigned Security Officers have submitted their initial investigation reports and have de-briefed our Security Committee with regards to their current and ongoing investigations. We were advised that the case incidents will remain open. All our CCTV Camera recordings were also thoroughly reviewed by our security committee and guards but yielded negative results.

Our security personnel have changed and intensified the roving times of our roving guard and the mobile patrol truck. They have also temporarily placed the Security Area Supervisor in our village for an added security augmentation.

We would like to remind everyone to please stay alert and vigilant, and to always lock and secure your doors and windows for your own security and security of your property. Current pandemic period and with the Holidays Seasons coming, the would-be thief (could be anybody) will be looking for ways and opportunities to take advantage.

Lastly, if you observe or notice any suspicious activity, please report them immediately to our security personnel at 0975 495-3472

Have a great week and stay safe everyone... Thank you and God Bless!

Sincerely,

**Eunice Villacruz**  
Admin/Officer
