"Trimming of Trees and Vegetations"

To our Dear Valued Homeowners and Members,

In Behalf of the Board of Directors and Security Committee of Tokyo Mansions, may we request to kindly trim your trees and vegetations which are growing in your garden and backyard. The plants are becoming thick due to which people who could wish to rob us or do us harm can easily hide and becoming a security risk at night. This is to ensure our roving security and the patrol car can see the areas clear and visible when they shine the search lights in those areas during their patrols.

Thank you very much for your kind cooperation in this matter.

For anyone concerns, you may call the number above or email us. Thank You.

Sincerely,

Armie C. Evans
Security Committee
