Re : **"ANTI-MOSQUITO MISTING OPERATION"**

Dear Residents,

Please be informed that Homeowner's Association will be conducting an **"Anti-Mosquito Operation"** on **July 4, 2023 (Tuesday)** from **8:00am to 12:00nn** to the vulnerable common areas of our community. As the ability to spray is weather dependent, we ask for understanding and flexibility if the schedule may change.

While spraying for mosquitoes can reduce but does not eliminate, we remind residents to intensify the cleaning and draining of standing water around your house as part of mosquito control. We also ask your assistance and cooperation to report immediately any clogged drainage or water ponding to prevent any possible breeding grounds of mosquitoes.

If you do have a request to spray your exterior grounds, you may coordinate with the Admin office prior to the anti-mosquito spraying operation. For your health and safety, please ensure that your doors and windows are closed during the activity.

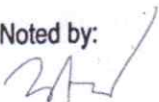

For any inquiries or concerns, you may contact the numbers provided above

Sincerely,

Jocelyn P. Buhay
